

# AWARI

AWARI is an open-access, peer-reviewed scientific journal established in 2020 by the Latin American Association of Social Network Analysis and later acquired by our publisher. The journal focuses on social network analysis and online user behavior, publishing one volume per year in a continuous model.

## SCOPE AND TOPICS:

- Theoretical and empirical studies on social network structures
- Social networking practices in social media
- Social network modeling
- Network visualization and analysis tools
- User behavior in virtual communities
- Data mining and machine learning techniques for the study of social media
- Graph theory
- Sociometrics
- Group dynamics
- Social capital
- Invisible schools
- Gestalt theory

## EDITORIAL STANDARDS:

- ✕ Double-blind review
- ✕ COPE Core Practices compliance
- ✕ Indexed in Scopus, Crossref, EBSCO, Proquest
- ✕ Open access under a CC BY-NC-SA 4.0 license
- ✕ 54 days from submission to final decision
